

WHY DID I GET MARRIED TOO?

Angela

So you working late again, Marcus?

Marcus

Yeah.

Angela

You couldn't even call me to tell me that?

Marcus

You have my phone.

Angela

Yeah, and somebody's been calling your phone all day long and hanging up.

Marcus

Baby, please don't start.

(phone rings)

Angela

Oh, and look at it, it's ringing again.....Look at that!.....
Hello!....Hello?.....Hey, you know what, ho? I'm sick of
y'all calling this phone. Stop ringing this damn phone!
And I hear you breathing. When are you gonna say some-
thing, ho? Yeah, all right. You know what? You're gonna
get punched in the face. You ain't got nothing to say.

Marcus

Give me the phone.

Angela

Here. Go on and call your little ho back.

Marcus

Angela, these are text messages. You cannot answer a text message by picking up the phone. Nobody has been calling all day.

Angela

That is ridiculous! Some old stupid phone that can't nobody work.

Marcus

Maybe it ain't the phone that's stupid.....Look, just read the text messages.

Angela

No. I ain't reading nothing, Marcus. No.

Marcus

Good Night.

Angela

Just give me the damn phone....How do you work this thing?
(shows her) Whatever....Wow, that's all from work?

Marcus

You still don't trust me.

Angela

Oh honey, I'm so sorry! Honey, come here. Wait a minute. Come here, baby. Just, come here. Honey, I'm so sorry! Sit.....Honey, I'm sorry I didn't trust you.

Marcus

It's okay, Angela. Look, I've got to get some sleep, all right?

Angela

No, let's talk. It's a good time to talk, the kids are upstairs. I'm so sorry. I don't know why I act so crazy. Sometimes I feel like you might end up leaving me one day for some cheerleader.

Marcus

Is that what you been thinking about? Baby, I am so past that age. Those days are over for me. Believe me. Trust me.

Angela

Honey, sometimes, I just...I don't know. I just wonder, like, why do you want to stay with me?

Marcus

Baby, I love you! That's why I'm here. And one day, you are gonna know that. And one day, you're gonna be able to trust me again. But right now, I got to get some sleep.

Angela

Honey, I love you so much.

Marcus

I love you, too.

Angela

And the kids are asleep. And maybe me and you can have some time.

Marcus

Come on now. We got....

Angela

You know....

(phone vibrates)

Marcus

I'm tired.

Angela

What's that?

Marcus

I don't know....Hey, yeah, since the kids are asleep...

Angela

Wait a minute, hold up. What is that?.....Marcus!! What are you doing with another cell phone, Marcus?

(talking over each other)

Marcus

You had mine!

Angela

Marcus, do you know what?.....I don't give a damn if I had the cell phone!

Marcus

I've got to work!

Angela

Every time I try to trust you, Marcus, you always do something. Then everybody try to make me out like I'm crazy, and I ain't crazy!
