

CHARLES

The exquisite selfishness of your motives and the.... The calculated vulgarity of the antics. Knowing full well the headlines they would get

DIANA

Antics?

CHARLES

Grandstanding like that... you think we couldn't do the too? Theatrically hug the wretched and dispossessed and cover ourselves in glory on the front pages

DIANA

I doubt it. You barely find it in yourselves to hug your own

CHARLES

I hug who I want. I hug who I love...Particularly when they are affected by the selfishness of others and need cheering up.

DIANA

Who are you referring to?

CHARLES

Camila.

DIANA

Why would I care about her?

CHARLES

Because I care about her!..Morning, noon and night, I care about her!...and you hurt her...and if you hurt her..you hurt me...Camila is who I want, that is where my loyalties lie, that is who my priority is

DIANA

Not the mother of your children?

CHARLES

Don't bring the boys into this

DIANA

All right. Not the woman you
married!

CHARLES

(Yells) I refuse to be blamed any
longer for this grotesque
misalliance.... I wash my hands of
it!

CHARLES

If you have a complaint about not
being loved or appreciated in this
marriage. I suggest you take it up
with people who arranged it.
