

BRIDE WARS

1

LIV

You sent out your save-the-dates?

EMMA

Yeah, I did, actually.

LIV

Uh...

EMMA

Surprised?

LIV

So one of us... Is not moving her date?

EMMA

Well, you amaze me, Liv. You really do.

You-You never ask me what I want.

You just figure you know best, end of story.

"Emma, wear this.

Emma, say that."

Well, Emma's pretty

frickin' tired of it.

- Oh, whoa. - Don't think I didn't
notice how totally freaked out you were because I had the nerve to get engaged
before you did.

LIV

- Okay, wait!

First of all, Daniel

bought that ring in December.

Okay? So officially, I was first.

EMMA

- Oh, pathetic. Pathetic!

LIV (CONT.)

- Second, people

always make you do things you don't wanna do.

Emma, it's like you don't have a spine.

Oh, wait. That's right. You don't have a spine.

BRIDE WARS

EMMA

Wow.

No one could accuse you
of being soft, Liv.
You grabbed the first date
in June Marion offered...
without even asking me first.

LIV

At least I'm not so terrified
of being alone...that I people-please
my way through life. Emma, you settle.

EMMA

Are you saying that
I'm settling with Fletcher?

LIV

I wasn't thinking about Fletcher.
You came up with that one on your own.

EMMA

Ooh. Move your date, Liv.

LIV

You move your date, Emma.

EMMA

It's done. You lose.

LIV

Your wedding better watch it.

EMMA

What did you just say?

LIV

I said your wedding should be very scared right now.
If I were your wedding,
I'd sleep with one eye open.

BRIDE WARS

EMMA

Why don't you just
save your threats for Daniel?
After all, isn't that how
you got a proposal out of him?

LIV

- Your wedding can suck it.

EMMA

What did you just say? My wedding can suck it?

LIV

- I said your wedding can suck it.

EMMA

- Your wedding can s... be...
I mean, yours can be, um... Can-Can be, uh...

LIV

- Bye, ladies.

EMMA

- Hey, Liv.

LIV

Yes.

EMMA

Your wedding will be huge. Just like your ass at prom.

LIV

We're done.

EMMA

- So Done.

LIV

- Hmm. - Good.
