

# THE MEXICAN

FYI

Your wasting your time.

I think I believe you.

What's in Vegas?

Uh, well...I'm gonna be a waitress,  
then make a career as a croupier.  
They can make \$100,000 a year but you  
have to have the hands, which I do.  
I got them from my Grandma Vega,  
which is a good thing  
cause my Granny Barzel  
had hands like a circus midget.

How come you can't live with Jerry?

Do you know Jerry?  
He has trouble expressing feelings.  
He had a really fucked-up childhood.  
His mom is nuts. You know, one of those people  
who always thinks the iron is on.

Don't you love him?

I think that's the problem.  
We love each other too much.  
But he's... He's so selfish.

It's like we've been living  
his life forever.  
I mean he'd tell you a different story,  
but I give and I give and he just keeps taking.  
Our counsellor totally  
agrees with me, by the way.

I don't put much stock  
in those weirdo counsellor types.  
All they do is sit around  
and smoke joints.

Maybe, but Jerry is still a taker  
and I'm a giver.  
It's obvious.

A lot of people  
are under the impression  
that you get to choose who you love.

I'm sorry, are you...  
Are you taking his side?  
You're a man, of course you are.  
You're taking his side.

You love him. You said so yourself.  
It's all that matters.

You know . . . you're a very sensitive person  
for a cold-blooded killer.

Thank you, Sam.

## USUAL STARTING POINT FOR CLASS

Look, I'm agreeing with you.  
But there's a few ways to look at it.  
Now sex is, no matter what anybody says,  
a very important part  
of any relationship.

The fact that Jerry  
is a considerate lover says a lot.

You lost me.

Well, he's a considerate lover.  
You just gotta find a way to get him to  
expand this quality he has during sex  
to other areas of your relationship.

I mean, even if it only comes out in sex,  
it's there just the same.

That's a good point.

And if a person's a considerate lover,  
he can't be all selfish, right?  
Unless of course he's...  
He's, uh, being a considerate...

*He quickly checks out a man*

What was that?

What?

That. That moment you had.

**What moment?**

**Leroy, you just checked out  
that guy and had a moment.  
That was a moment.**

**I don't know if it was a moment.**

**Are you gay?**

**As in happy?**

**As in homosexual.**

**What does my sexual orientation  
have to do with anything we've been talking about?**

**Nothing.**

**Nothing. Except something that you  
said back there really bugged me  
and this would kind of  
help it make sense.**

**Yeah? What's that?**

**I asked if you were gonna rape me, and  
you said, "Not likely." You said it so matter-of-fact, like it was just . .  
. ,like I was repulsive  
and it was ludicrous to think I was  
actually at risk of being raped.**

Well, first of all, it's a crime of anger,  
not attraction.  
And second of all, you're not repulsive.  
You're very beautiful.

Thank you.

You want me to rape you?

Are you gay?

You want me to rape you?

You're gay.

You're gay. I knew it!

Oh, I so knew it.  
I just knew it. What a relief.

Do you want a medal? You wanna make a little trinket  
saying you identified a homosexual?

No.

Are you full throttle?

Full throttle?  
Yeah, I guess I am.

Oh. I'm not... I mean...  
I'm not trying to be a smart-ass  
or anything like that.  
I just that... I just think that this is great.  
Wow. This is...  
This is...major, OK?  
Uh ... I ... know the kind of people  
in your business, OK?

Yeah?

And to me, it seems that...  
Well, being gay isn't really...  
conducive to the environment.

Oh, like I should be an interior  
decorator. That's insulting. I am very good at what I do.

Do you have a boyfriend?

No, I don't.  
Unfortunately,  
I seem to be unable to keep...  
relationships together.

Seems like everybody's having trouble  
keeping relationships together.
